The HELLFIRE Maintenance Data Summary/Missile Log Sheet is to be completed in accordance with governing instructions as events occur. All Up Round Depot (NWS) Level Maintenance activities shall enter receipt of a Fleet-Return Missile, copy the form and forward to AWARS. When a missile is expended in any manner, activities should indicate so on this form and forward to: Commanding Officer, Naval Weapons Station, P. O. Drawer 160, Attn: Code 30 (AWARS), Yorktown, VA 23691-0160
